In Re: Buckeye PAC (C00356378)
April Quarterly Report (01/01/06-03/31/06)

Dear Ms. Jaketic:

Pursuant to your request for additional information regarding the above styled report of the Buckeye PAC (C00356378), please be advised that:

Clarify all expenditures:

The payments to "fundraising consultant" and the "tickets" purchased were all made to the benefit of the Buckeye PAC. Both fundraising consultants are raising funds for the Buckeye PAC, itself, and the tickets were purchased to permit the fundraisers to attend a meeting of the Ohio Republican Women convention. The payments did not support the candidacy of any identified Federal candidate, nor any voter drive activity.

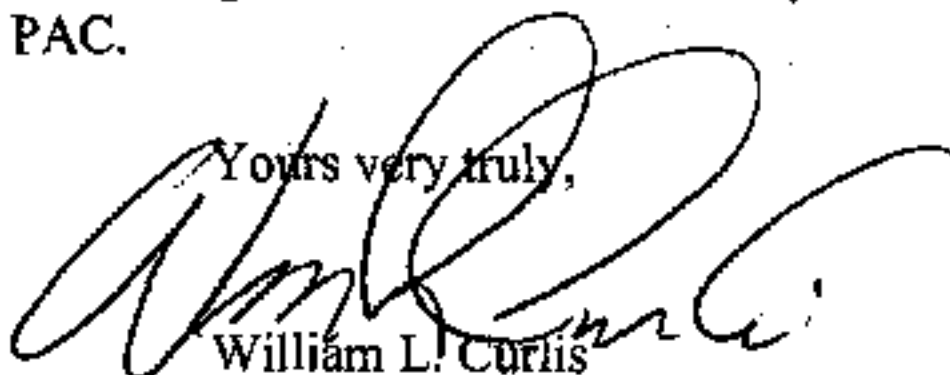

Clarify printing expenditures:

The payments made to "printing" were for materials for use by the Buckeye PAC, itself, in the conduct of its activities and did not support the candidacy of any identified Federal candidate, nor any voter drive activity.

Administrative expenses:

The Buckeye PAC has few administrative expenses inasmuch as it is housed in the treasurer's home and maintained on his personal computer. The treasurer is a volunteer. There is no connected organization nor are there any outstanding debts owed by the Buckeye PAC.

Yours very truly,

William L. Curllis
Treasurer
